## Fizz

We've partnered with artisan Prosecco producers in the renowned Italian province of Treviso to create our Biscuiteers Prosecco Superiore. Made from grapes grown in the rolling hills of the Valdobbiadene Conegliano region, our fragrant fizz has notes of pear and apple, making it a deliciously fresh aperitif.

Our English sparkling wine is from Sussex based vineyard Gusborne. This 2016 vintage has notes of soft summer berries and florals, with a crisp freshness and a creamy, rounded texture on the finish. From Pinot Noir, Chardonnay and Pinot Meunier grape varieties, it makes the perfect accompaniment to our lighter Spring afternoon tea.
